The meaning of WWF is to help more wild animals in danger.

WWF asks more people to take action and do something for the wild animals: do not pollute the environment, do not cut down more trees and forests, help them cure (治疗) the illness and make their living areas bigger and bigger.

If we can do the things above, I think that there will be more wild animals in the world. Remember: to protect wild animals is to protect ourselves!

live + ing =living

动词 / 形容词 + 后缀 => 名词

Work out the rule:

动词v. / 形容词adj.	**suffix** →	Noun
adjective	+ ness →	Noun
verb	+ ing →	Noun
	+ ion →	Noun

Suffixes “- ing”, “-ness”, and “-ion”

but sometimes we need to change the ending of the verb/adjective when we add the suffix. For example:

shop-- shopping

decide-- decision

invite— invitation

happy-- happiness

The people are very **kind**.

Thanks for their **kindness** .

kind → **kind<u>ness</u>**

adj. + ness = n.

- sickness
- sadness
- darkness
- greatness
