第四篇

My father is a doctor. He always gets up very early. After having a quick breakfast, he goes to work. He is very busy.

Sometimes he can't come back home for the night. Although (虽然) we can't see each other very often, I still love him.

My father is very good. He teaches me a lot about life. He is good at playing the guitar (吉他). Just because of him, I also like playing guitar. I have a small guitar as a birthday present from my father. I practised (练习) it every day at first, but later I wanted to give up, because I feel it is really too difficult for me. Then my father tells me that when you find

something is not easy for you, you have to go on. My father also asks me to do sports every day. He says it is good for my study and health. My father likes to help others. In his free time, he reads books to the old people and plays the guitar for them. If someone asks him for help, he will always say yes. I am really proud (骄傲的) of him!

1. My father works in a.

A. hospital B. school C. park D. cinema

2. The opposite (反义词) of the underlined words in the second paragraph is "".

A. play the guitar B. do well C. go on D. do sports

3. My father often when he has time.

A. reads books to me B. plays the guitar for the old people
C. stays at home to rest D. does the housework

4. According to the passage, what may I do every day?

A. Play games and do sports.

B. Play the guitar and do sports.

C. Do sports and read books to the old people.

D. Play the guitar and read books to the old people.

5. Which of the following is TRUE about my father?

A. My father has no time to be with me.

B. My father is good at playing games.

C. My father always does sports.

D. My father likes to help others.

答案 ACBBD

第 5 篇

Bob reads a book under a tree. His grandfather, an 80-year-old man, sits in the sun. Grandfather sees a kite in the tree and asks him. "What's that Bob?"

"It's a kite," Bob says.

Then grandfather asks him again, "What's that, Bob?"

"It's a kite," Bob tells him again.

Later, grandfather asks him the same question. Bob gets angry and says loudly to grandfather, "It's a kite.!"

Grandfather doesn't say any words. He goes into the house and then comes out with an old diary in his hand. Then he starts to read,

"Wednesday, August 15. Today, my grandson asks me a thing in a tree. I tell him it's a kite. He asks me many times and I tell him many times...." After hearing that, Bob's face turns red and he comes to Grandfather and says sorry to him.

1, Which is Right about the 80-year-old man?

A, He is Bob's old grandfather. B, He can't see the kite in the tree. C, He can't say any words. D, He likes reading books.

2, Bob feels _____ after hearing his grandfather's diary.

A. Sorry B. great C. cool D. relaxed

3, What does the story want to tell us?

A. Ask Grandson questions many times.

B. Answer Grandfather's questions loudly.

C. Keep a diary and read it every day.

D. Always be good to the old people.

答案 AAD

第 6 篇

答案 B A D B B

第 8 篇

American school begins in September after a long summer holiday(暑假). There are two terms (学期) in a school year. The first term is from September to January, and the second term is from February to June. Most American children begin to go to school when they are five years old. Most students are seventeen or eighteen years old when they finish high school.

High school students take only five or six subjects each term. They usually go to the same class every day, and they have homework for every class. They do a lot of interesting things when classes are over.

After high school, many students go to college (大学). They usually have to pay (付款) a lot of money. So many college students work to get money for their studies.

1. In America, summer holidays begin in _____.

A. June B. September C. May D. February

2. Most American children begin school at the age of _____.

A. five B. seven C. seventeen D. eighteen

3. High school students _____ after class.

A. do housework

C. play baseball

B. go to work

D. do interesting things

4. In order to (为了) _____, many American college students have to work.

A. help their parents

C. help others

B. get money for their studies

D. learn some useful things

5. American school students usually have about _____ subjects each term.

A. seven or eight
